

Tahqua Trail Run 2024

Transportation to Race Start

1. You have 3 choices for transportation to the start of your race:
 - a. **Arrange your own transportation from a friend or family member.** They may drop you off at your race start and meet you at the finish. Note: 25K drop-off is at the Hiawatha Hunt Club, 1 mile from the race start. (See Start Locations Below).
 - b. **Take the bus from the Upper Falls.** Drive to the Upper Falls parking lot and wait for your bus at the departure time indicated. This is the only choice if you are traveling solo or in a group of runners where everyone is running. Since all races finish at the Upper Falls, your vehicle will be waiting for you when you finish. There is plenty of parking available.
 - c. **Take the bus from the Whitefish Township School in Paradise.** This is the best option if you are staying at one of the hotels in Paradise *and* have a friend or family member who can pick you up at the Upper Falls/finish area.

Gear dropped off at the start in a small backpack or clearly marked bag will be brought back to the finish area. Items not picked up after the race will be left with State Park lost and found.

25K Specific Transportation Instructions

The start location is 4.6 miles east of M123 on the Tahqua Trail Road. The Tahqua Trail Road is located just north of the Tahquamenon River Mouth off of M123. Because the start area is so remote buses will only be able to transport you 3.5 miles in on the Tahqua Trail Road. You must walk or jog 1.1 miles to the race start. This will provide you with a good pre-race warm up. Porta-Johns are located at the start.
